## *Dedication*

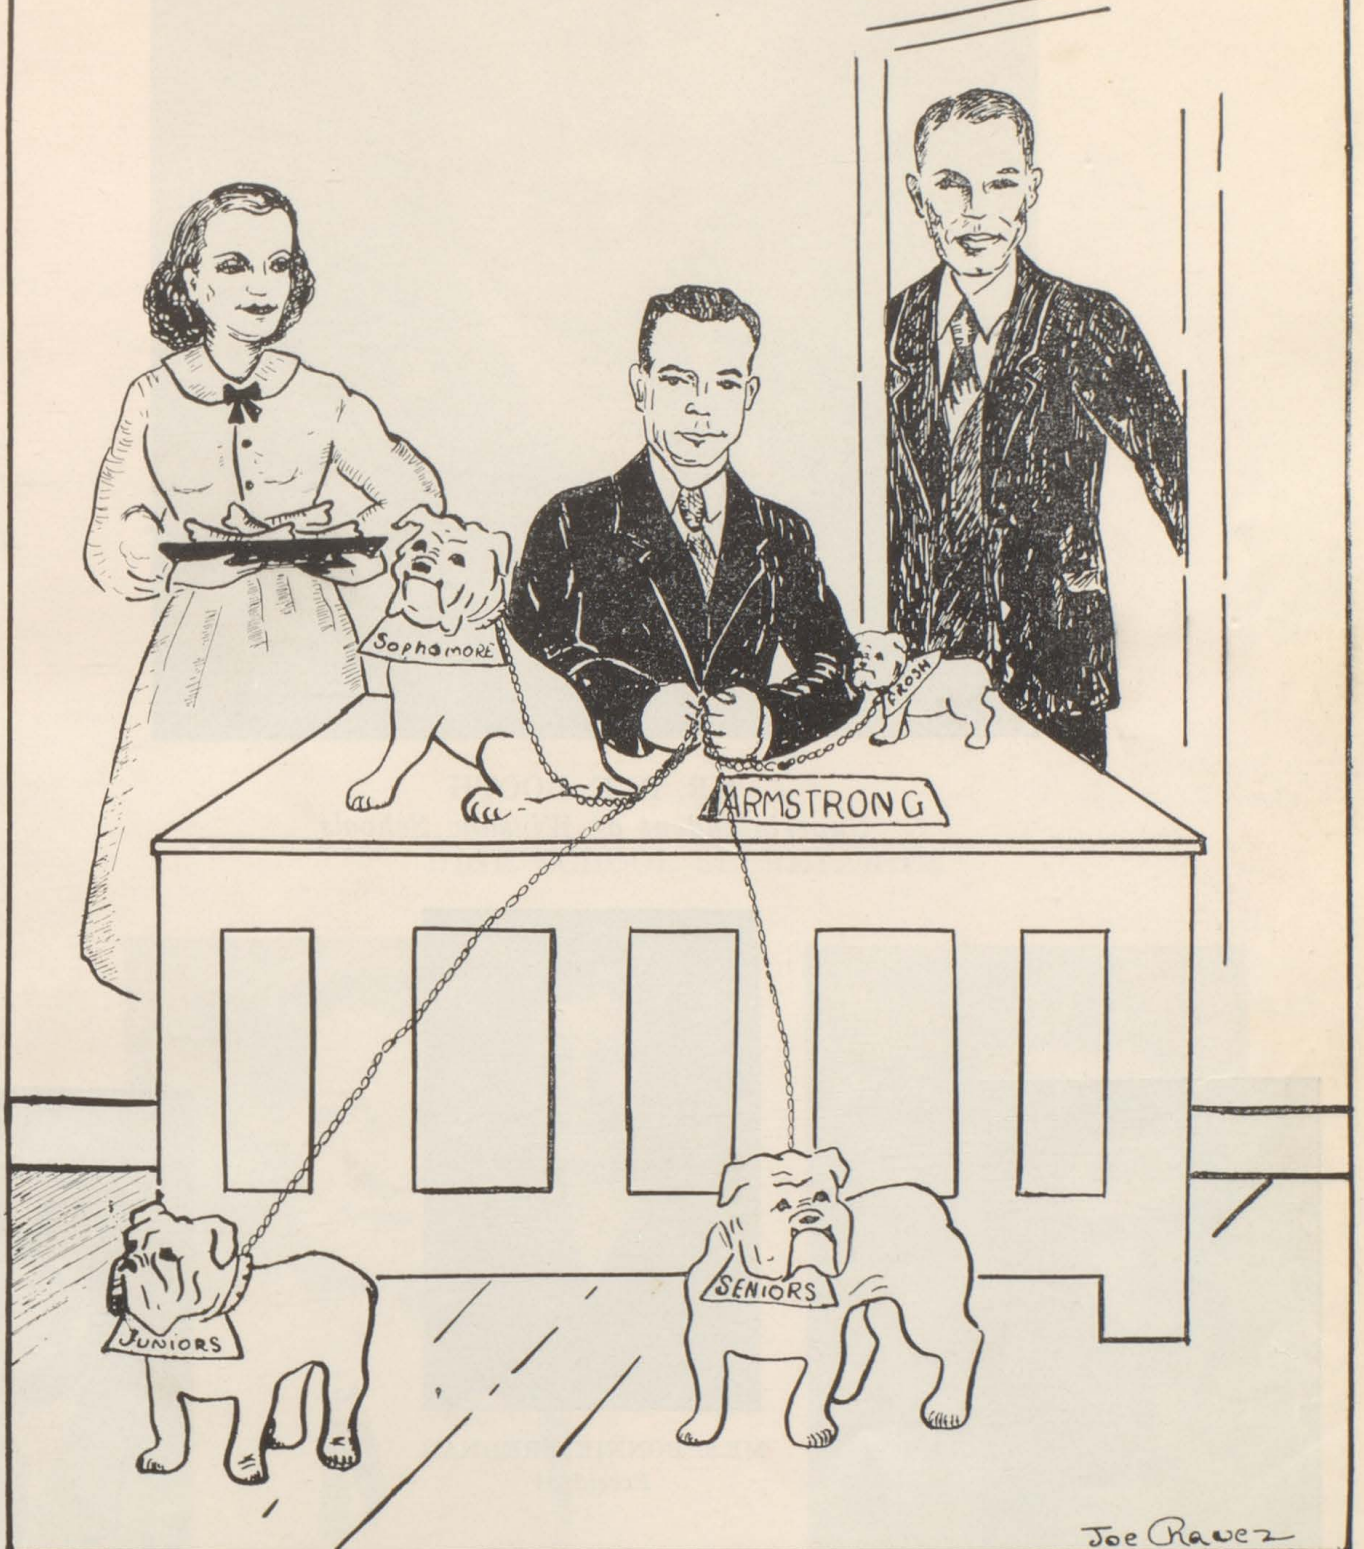

The seniors of 1950 dedicate this Meteor to Betty Tillman, our friend and classmate. Even being stricken by polio early in the fall and having to remain in an iron lung for long periods of time can't break Betty's cheerful spirit nor fade her sunny smile. Her gallant fight to recover has made her loved and respected by all.

## *Class of 1950*

We, the Seniors of 1950, look back on our high school years with memories that will be cherished throughout our lives.

It doesn't seem so long ago that we entered high school as "green" Freshmen. As Freshmen, we faithfully built the traditional "W" before each rally, gave our first assembly, sponsored the Junior-Freshmen Dance with the Juniors, and won first place in the Bulldog Rumpus Parade.

The next year, as Sophomores, we felt more important giving our second assembly. We helped sponsor the Senior-Sophomore Dance, and participated in the Bulldog Rumpus. Again our assembly was a success.

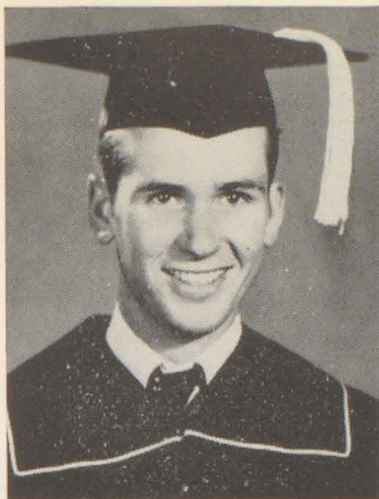

As Juniors, we became upper-classmen. We were proud of our class, and now felt that we were a more important part in the school. Our play, "We Shook the Family Tree," was a huge success. With the Freshmen, we gave the Junior-Freshmen Dance. Our assembly was one of the best presented that year. In April, we gave our Junior Prom. Our theme was "Moonlight and Roses," and we received many compliments.

In the fall of 1949, we returned as the mighty Seniors. We presented the Senior-Faculty Picnic, and our Senior assembly. In November, we presented the Senior play, "A Date With Judy." In the spring, our activities will include: The Senior-Sophomore Dance, Senior Ditch Day, Kid Day, the Senior Hop, Class Day, and graduation.

Now we are leaving Winslow High School, but we will never forget the joy and happiness we have had together. May you, the future graduates, know this joy and happiness as we have.

## *Juniors*

The Class of '51 entered Junior High in 1945. We worked hard and won second place in the Rumpus Parade for our floats in both the 7th and 8th grades. On May 23, 1947, we graduated from Junior High.

We entered High School in September, 1947. We built the W's for the football rallies and helped in the Bulldog Rumpus. Again we won second place for our float 'Winter Wonderland'. We put on the annual Freshman Assembly and helped the Juniors with the Junior-Freshman Dance.

As Sophomores we gave our Sophomore Assembly and with the Seniors put on the Senior-Sophomore Dance. This year our 'Circus' float won first place in the Rumpus Parade.

This year as Juniors we put on the Junior Assembly and with the aid of the Freshmen, the Junior-Freshman Dance. Our theme, "Harvest Moon," turned out very pretty. Our Junior Play, "Just Ducky," was a huge success. The Junior Prom was presented in April, which was a big success.

## *Sophomores*

We, the members of the Sophomore class, look fondly upon the memories of the past four years in Winslow High School. During this time, we have learned what it means to be a part of high school life, and to participate in the activities required by such a position.

While seventh graders, we tried to make ourselves as inconspicuous as possible as we learned "the ropes."

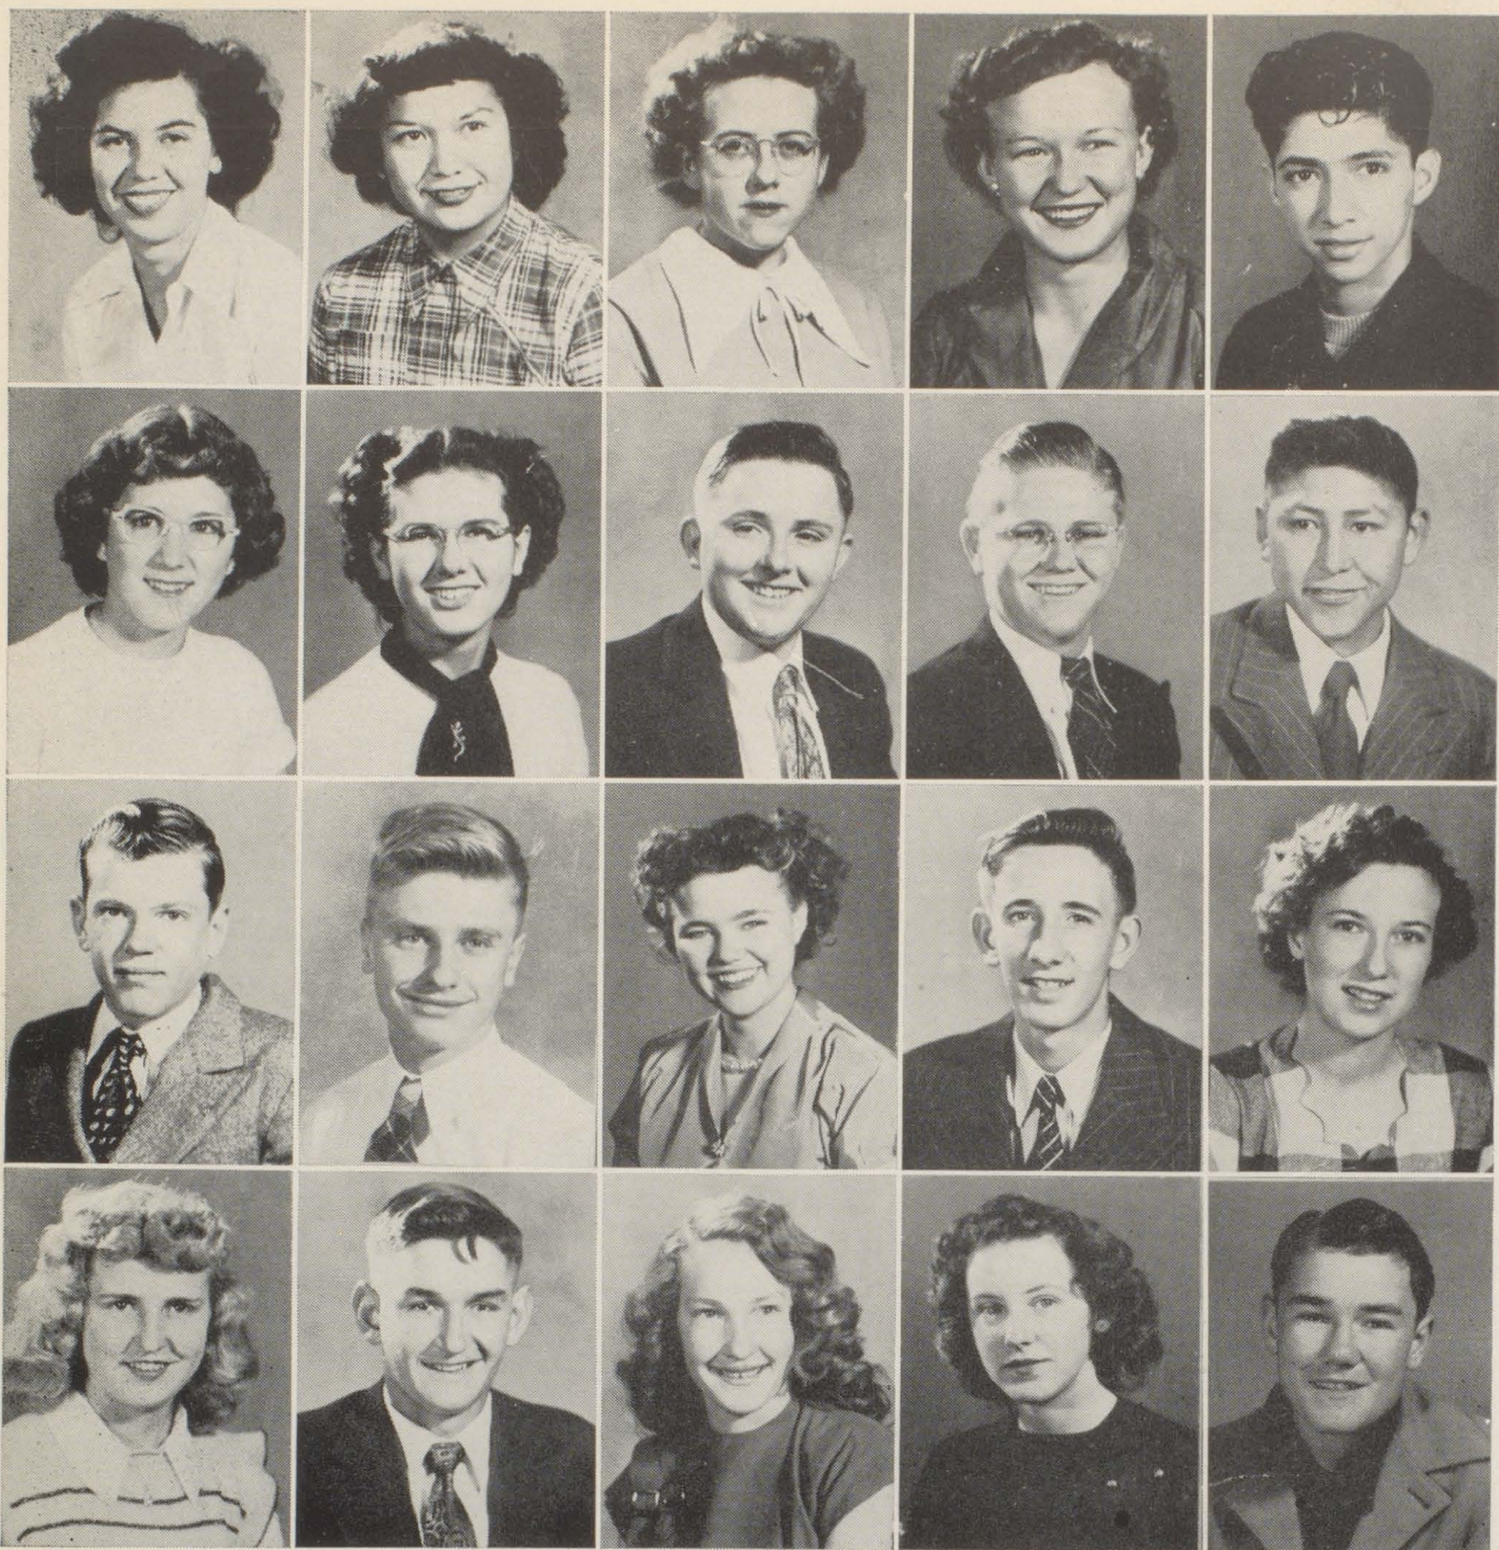

As high and mighty eighth graders, our ambitions were quickened by the thought of high school life just beyond. In May, 1948, we took the spot-light with our induction into W.H.S.

Freshmen at last, and while being considered "green" by the upper-classmen, we built the traditional "W's" for the rallies. Moreover, we joined the Juniors in staging the Junior-Freshmen Dance.

Now, as Sophomores, we have been in the middle of things: athletics, Bulldog Rumpus, school clubs, chorus, and the annual Senior-Sophomore Dance.

We are looking forward to our Junior year and its outstanding event, the Prom, to our Senior year which will not be *finis*, but only the end of Volume One of our lives and education.

## *Freshmen*

We came to Winslow Junior High School in 1947 as seventh graders. That year our greatest accomplishment was learning how to open lockers.

The next year we became superior eighth graders. We were then head class of the junior high and could push the little seventh graders around. We had an active class that year and put more money in the junior high treasury than any class had for five years. We were inducted into the high school on May 27, 1949, with high hopes and big ideas.

We were taken down a notch the following September when we started school as "green" freshmen. We built the "W's" for all the football rallies and were lucky enough to have them burn. We put on our freshmen assembly and took part in the Junior-Freshmen Dance. Like most things sponsored by the class of "53" they were huge successes.

Now our first year in Winslow High School is over and we are looking forward to our next three years. We know we are going to have fun even if our gay days as freshmen can't be lived over.

## FOOTBALL

The Winslow High School Bulldogs were co-champions with Round Valley for the 1949 grid season in the Northern Arizona Conference. Both teams were charged with one loss; Winslow by a forfeit and Round Valley by a 13-7 defeat at the hands of the Bulldogs.

Winslow defeated six opponents, losing only to the strong Class A Albuquerque Bulldogs in a non-conference tilt.

The season was started by defeating Cathedral High of Gallup 27-13 in a non-conference game. Round Valley was the next victim which fell in a hard fought game 13-7. Winslow then invaded Kingman, returning with a 28-0 victory. A superior team from Albuquerque then gave Winslow their only defeat of the season. Next on the Bulldogs' list was Holbrook who was beaten 19-0.

Snowflake scoring in the first few plays of the game looked like a hard opponent, but the Bulldogs came through with a 39-7 victory. In the Home-Coming game against

St. Johns, the Winslow fans were not disappointed. They saw the Bulldogs dominate in a 33 to 0 contest.

At the Armistice day game in Flagstaff, Coach Emil Nasser refused to endanger his players on a field flooded by melting snow, thus forfeiting the final game of the season to the Flagstaff Eagles. This forfeit is the only loss suffered by the Winslow Bulldogs from an Arizona team during the past two seasons.

The Bulldogs scored 159 points to their opponents 41 in a very successful season.

## WINSLOW HIGH SCHOOL BULLPUPS

The Bullpups of 1949 under the coaching of W. M. Wright, won two and lost two. In their first game they met with defeat at the hands of Flagstaff, which they later avenged with a 6 to 0 victory at Flagstaff. Against Holbrook they came out with a narrow margin to win 7-6. The McNary team was victorious by a score of 18-7.

Most of the Bullpups will undoubtedly see plenty of action next year on the Varsity squad.

## VARSIY BASKETBALL

The High School Varsity Basketball team won the Northern Arizona Conference with a record of fifteen conference victories and one defeat. However, the team did not fare so well in tournament play, losing out in two consecutive games in the Farmington Invitational Basketball Tournament held on January 19-21. Farmington eliminated the Bulldogs in an overtime game in the first round with the Bulldogs succumbing to Fort Wingate in the first round of the consolation bracket. In the Northern Arizona Tournament, Winslow defeated Cottonwood 40 to 39 in the first round but fell to Round Valley by a score of 40 to 49 in the second round. After defeating Clarkdale 41 to 40, the Bulldogs were then eliminated by Holbrook by a score of 35 to 39. The Bulldogs were selected as the 16th team to participate in the class "B" Basketball Tournament at the Arizona State College in Tempe held on March 2nd, 3rd, and 4th. Here the Bulldogs were eliminated by two successive defeats at the hands of Wickenburg and Round Valley. The team scored a total of 1066 points against the opponents 993. George Warnock, the 6' 5" center, was high point man for the year with a total of 442 points. At the close of the season, Lee Eastman and Jimmy Coata were elected Co-Captains for the 1949-50 season.

### COACH JAMES LOVETT.

Coach Lovett developed a team in his fourth year of Varsity coaching at Winslow that was "tops" in conference play but seemed unable to live up to their conference record in tournament competition.

## *Football Banquet*

The Annual Football Banquet was held November 21, 1949, at the Elks Lodge. The menu was prepared by the Elk's chef. W. M. Wright was master of ceremonies. Speakers of the evening included "Jiggs" Insley from Flagstaff, Superintendent R. E. Booth, Jim Curtis, Jim Lovett, and Coach Emil Nasser, who awarded athletic letters to 33 desiring boys. Billy Noel and Lois Zahnley as football king and queen expressed their appreciation to the boys for the honor given them.

The table decorations were done by enterprising Pep Squad girls who put up tiny goal posts at the ends of the tables and placed at intervals ribbon yard lines giving the effect of football fields. The place cards consisted of small football shoes, jerseys, with each boys number on it, and football helmets. On the table was the gold football trophy.

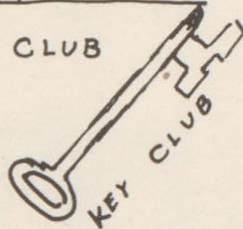

Immediately after the banquet the Elks held a dance for the teenagers.

## WINSLOW HIGH STUDENT COUNCIL

The Student Council has been very active during the current school year, sponsoring several dances after football games in the fall, making all arrangements for the home-coming game parade and dance, and also handling all details in connection with the Bulldog Rumpus. This year, the Council also sold small Bulldog pins and WHS pennants in the High School. The Council has endeavored to promote better relationships between the Winslow High School and the other high schools by appointing a welcoming committee for each interscholastic event. This committee welcomes the visiting contestants and endeavors to see that they are supplied with anything needed for their comfort and convenience while visiting our school. Five delegates attended the State Convention of Student Body Officers including Boyd Lee, president; John Paul, Darrel Bashor, Jane Prochnow, and Dorothy Nichols. Much of the success of the Council has been due to the efforts of the sponsor, Mr. W. W. Armstrong, and the following class officers:

## HONOR SOCIETY

After having been a local honor society for twelve years, the Winslow Chapter was granted a charter in the National Honor Society in 1946. Since that time 55 Winslow high school students have become members of the National organization.

On December 13, 1949, the following members were inducted at the annual induction assembly: K. Woods, A. Greer, N. Martin, P. Grove, D. Nichols, J. A. Lancaster, B. Peterson, B. Willis, K. Ricks, and C. Swann. Reverend Dwight Burkham was the speaker.

The group is proud of this year's achievements. Early in the school year, having received money by the selling of school pennants, the society sent a gift of \$20 to Betty Tillman, a member of the Senior class, who had been stricken with polio. The 3rd place award to the best float in the Homecoming parade was awarded to the society.

As an added service to the school, a festive spirit was created during the Christmas holiday season. The members surprised the faculty and student body by placing gay Christmas wreaths, which they had made, throughout the building during the week before the Christmas vacation. A tree was also placed in the main entrance for all to enjoy.

In an endeavor to perform some service to the community, the society volunteered to conduct the March of Dimes campaign in the entire public school system. This was done, and the second largest contribution of any group in Winslow was collected.

On March 30th they presented one hour band concerts at the Flagstaff High School and at the Williams High School. ## *Pep Squad*

Initiation, drill formations, banquets, and dances were the highlights of the active season of the Pep Squad whose purpose is to further interest of the student body in athletic activities.

A new method of determining membership was instituted this year whereby the girls who fulfill the qualifications sign their names on a special list. Seventy-five, a record number, held membership this year.

The initiates must undergo an initiation unequaled by another in W. H. S. Ragged overalls, old hats and shoes, strange odors caused by cheap perfume and onions, painted faces and haggard looks compose their costume. These "rats" create a memorable day on the school calendar. To get the girls in the "mood", the "Superiors" held a hectic all night slumber party in the auditorium this year.

The National Thespian Society is an honorary organization. To qualify for membership, it is necessary to have at least ten points which are awarded to students as they qualify in dramatic work. The Society's primary aim is to make students intelligent observers of dramatic arts.

This year, Thespians gave the Christmas assembly. It included the one-act play, "Christmas Gift", a reading by Jerry Spears, and several other numbers.

In the spring, students who participated in the Senior play, "A Date With Judy", and in the Junior play, "Just Ducky", will be initiated.

Guns for use of the Rifle Club are leased from the Government each year. Clyde Gardner, Junior High teacher, is sponsor of the local chapter and teaches students the proper method of handling firearms. An indoor range at the Airport is used each Saturday morning for target practice, making it possible to hold meetings in all types of weather. This year six guns have been leased so that it is possible for six students to shoot at one time. It is open to all high school students and all students interested in learning to handle firearms properly, shoot straight, and take the proper care of guns are urged to join this organization.

Godsell, school librarian, with two girls assigned to the library during each period of the day. These two student librarians issue books and magazines to the students, collect fines on overdue books, and check in books as they are returned. At the end of each day, one of these girls posts the library fines and turns in fines collected during the day. The student librarians are selected on the basis of scholastic average and ability to do the library work from among the many volunteers.

The purpose of the club is to give students more practice in conversational Spanish. The club motto is "No hay atajo sin trabajo". The club colors are red, purple, and gold, the colors of the Spanish flag, and the club flower is the red rose.

The club's activities this year included a concession in the Bulldog Rumpus of Mexican songs and dances. And on the tenth of March the Spanish club had a party in which Spanish songs and Spanish games were played.

 Second Row: Darrel Bashor, Albert Greer, Boyd Lee, Jerry Spears, Jimmy Cooata.

## *Journalism*

As we all know, it is the Journalism class who works so hard in putting out the Bulldog Barks for the students. The paper covers all the events concerning school and its purpose is to develop the writing talent hidden among student groups. Many themes of different classes have been published in the school paper.

With Helen Woo as editor and Miss Estelee Hinson as supervisor, many improvements have been made on the paper. The rest of the class supports them by getting in assignments and carrying out their duties in general.

On November 12, 1949, Helen Woo, Joanne Lancaster, Nancy Stout, and Miss Hinson attended a Journalism Convention at Tempe. They learned several new ideas about publishing a school paper and reported that their visit was an enjoyable one.

We think that the Journalism Class is to be congratulated on their immediate and complete coverage of events at WHS.

## *Rumpus*

The good-looking couple above, Lee Eastman and Clydine Rhoton, reigned over the annual Bulldog Rumpus held in the high school. This year's games of chance were not held by the respective classes, but there were concessions and entertainment throughout the building.

Some of the side shows were the Western night-club sponsored by the Seniors, the Spanish songs and dances by the Spanish Club, movies, fish pond, hot dog stand, and many others.

The main event was the floor show. At this time, the coronation of the king and queen was held. We were honored with the hoop dance by Anthony Purley and Montoya. Joane Lancaster and Tony Sanchez, respectively, sang "Its a Big Wide Wonderful World" and "Through A Long and Sleepless Night." The Spanish Club sang several numbers and Girl Scout Troop No. 6 did the Dance of the Cheyennes. The talent was all excellent.

Other candidates for Rumpus King and Queen were John Paul, Leora Monroe, Lyle Jenkins, Mina Nichols, Bob MacLean and Lois Zahnley.

## *Senior Play "1950"*

The Seniors of 1950 were honored to bring to WHS on November 18, the current hit of high school plays, "A Date With Judy." The leading parts were filled by Jerri Hitchcock as "Judy" and Herb Keller as "Oogie." Their portrayal of these characters was so well acted that it seemed almost true-to-life.

Two performances of the play were presented. One Thursday afternoon, November 17, and the last one Friday night, November 18. Both were huge successes with the hilarity of the lines rocking the auditorium with laughter.

All of the cast and stage crew stated that they had loads of fun learning and practicing for the final presentation. Mrs. Frances O'Sullivan was director and supervisor of the production.

There was a play party in the Home Economics room after the Friday night performance. The kids danced and ate to their hearts content. The food was supplied by the cast and the crew.

## *Junior Play "1949"*

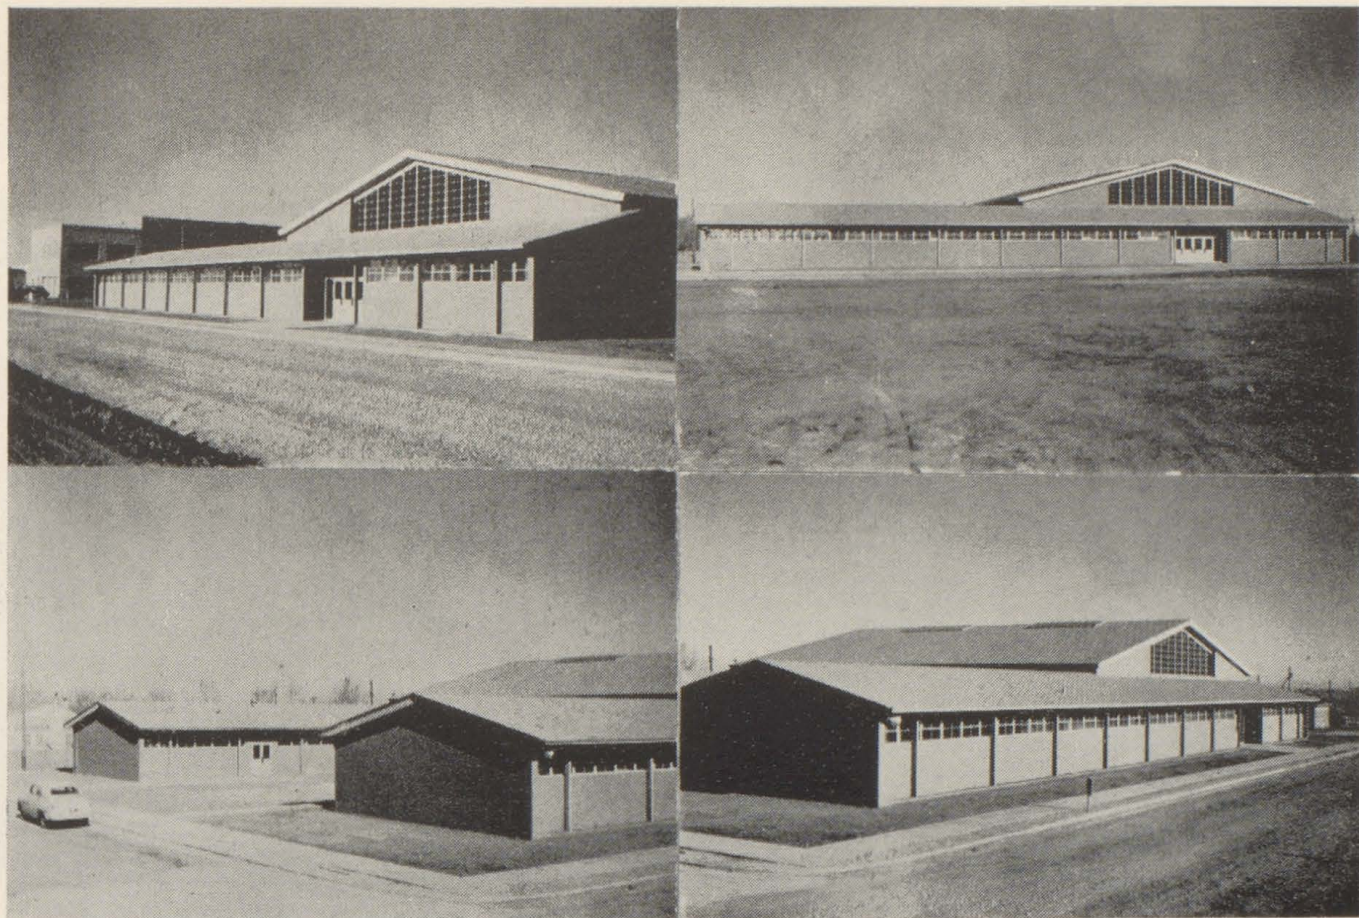

We, as Juniors in 1949, were proud to present as our Junior play "We Shook the Family Tree." One of the most popular plays for high school production.

This comedy was filled to the brim with laughs provided by the leading lady, Jerri Hitchcock, and the leading man, Herbert Keller, two very well qualified dramatists.

The play was directed by Mrs. Jane Cantrell, who was strict about the cast learning lines but always ready to join in when fun appeared.

This year the cast and crew had their play party at the Guild Hall in the Episcopal Church. Everyone brought a date and food. They danced and just had a good time in general. The most spectacular event of the evening was a jitterbug exhibition by Miss Cartlidge, now Mrs. Crawford, and Dick Bates.

## *New Gymnasium*

The new Winslow High School Gymnasium was completed on December 19th and used throughout the basketball season of 1949-50. It has a regular size playing court, two cross courts, and will seat twelve hundred spectators at basketball games. The contract for construction of the building was awarded in May 1949 to D. O. Norton and Son Contracting Company of Phoenix, Arizona. The total contract price for the construction of the gymnasium was \$189,000.00. Besides adequate facilities for school sports, it contains dressing rooms and lockers for 240 girls and 300 boys enrolled in physical education classes. Two large classrooms are provided for freshmen health classes but may also be used for other Junior-Senior High School classes.

## *The Rainbow Dinner Dance*

The Rainbow Dinner Dance was held on December 27, 1949. The Dinner was held at the La Posada at 6:30 followed by the Dance at the high school auditorium at 9:00. The decorations followed the color scheme of red and silver with a miniature town at the base of the auditorium. The Jones-Harrison Orchestra provided music. Everyone had an enjoyable time at this annual affair.
